

FAMILY

WORKSHOPS

Get busy with your eyes and hands. By day, get crafting and making. And then, as evening comes, book in for an art skill class with a fine arts practitioner. With a mix of led workshops and drop-in DIY activities, there is something for everyone, of all ages, to get stuck into here. Make & Create is importantly not just for families and children. It is for all those who have lost the joy of making from their lives.

QUILTING BEE

Presented by Craftio Divina

Craftio Divina is the creative partnership of prison chaplain Anne Bennett and vicar, writer and textile artist Miranda Threlfall-Holmes.
